# About Us

Mr. Sujit Kumar Jaiswal, a second-generation entrepreneur, with over 30 years of experience in the industry is the founder of Sujit J Carpets.

Sujit J Carpets is a brand that revolutionizes home design trends and aspires to make homes more stylish than ever. For over 30 years our carpets have graced the world's finest homes. Sujit J Carpets is a collaboration of expertise in the art of carpet weaving with innovations in designs and colours to create masterpieces of essential beauty for today's homes.

At Sujit J Carpets, we know that our customers are as unique as our carpets. That is why we put special care into helping our customers select that special piece that will perfectly complement any room or home. We want to lead with innovation while preserving centuries-old traditions in all categories: from antique reproductions to transitional designs, to the most fashion-forward contemporary styles. Our creative process pays homage to the ancient art of rug making, which has been passed down from generation to generation.

### **Wools :**

All the carpets are crafted entirely by hand, using the finest blends of wool including mill-spun and hand-spun wool in natural and dyed colours and silks. As a result, each carpet has its own unique personality and charm. Sujit JCarpets is the brainchild of Mr. Sujit Kumar Jaiswal, a pioneer in the carpet industry. Mr. Jaiswal, a second-generation entrepreneur, has over 30 years of experience and has dedicated his talents and resources to providing uncompromising quality with a belief that there is no equal to the durability, beauty and artistry of handmade carpets.

### **Quality :**

For over 30 years we have produced decorative carpets defined by their exceptional quality and enduring style. We offer an extensive array of Traditional, Transitional and Modern Collections that have taken the art of weaving to a new level of refinement and sophistication. With a deep understanding and appreciation for our craft, our pioneering spirit inspires us to challenge convention and continue our pursuit of excellence.

### Quality Craftsmanship:

Quality craftsmanship, artistic integrity, and a humanistic story — these are the core values of a recognizable Sujit JCarpets design. Whether a room requires a striking centerpiece, or a quiet yet powerful complement, we provide the perfect carpet for any and all types of settings: the home, the office, the communal space.

### Quality Products:

We focus our research and development on creating the highest quality products consumers can buy within a broad range of budgets. Clients are always given special attention in order to ensure the client, the perfect piece for their specific needs. Carpets are available ready-made in a set of standard sizes or can be custom-tailored for a specific room's requirements. However, if you are in search of a special carpet that is not available in our collection, rest assured, we house the most talented designers as well as assign the most capable and talented artisan to weave our carpets to satisfy every requirement. From the design down to the quality of the fiber, anything is possible with our custom rug requests. We also welcome commercial and residential projects.

### Our Best Features are :

With over 30 years of experience, we've got to say, finding a great carpet has never been simpler. We not only provide you with the largest assortment but also ensure customer satisfaction by helping you select and buy a carpet. We guarantee, you will have a wonderful experience with us.

Weaving and finishing is done by expert in house for absolute strict quality control enabling us to meet the stringent quality parameters of global standards.

# Our Mission

At Sujit J Carpets our mission is to provide each of our customers with superior services and products without compromising on quality, with a belief there is no equal to the durability, beauty and artistry of handmade rugs. All our rugs are made in-house following the highest industry standards, without the involvement of any child-labour and using environment friendly products and processes. All our rugs are crafted entirely by hand, using the finest blends of machine-spun/hand-spun wools and silks. As a result, each carpet has its own unique personality and charm.

# Customer Centric Approach

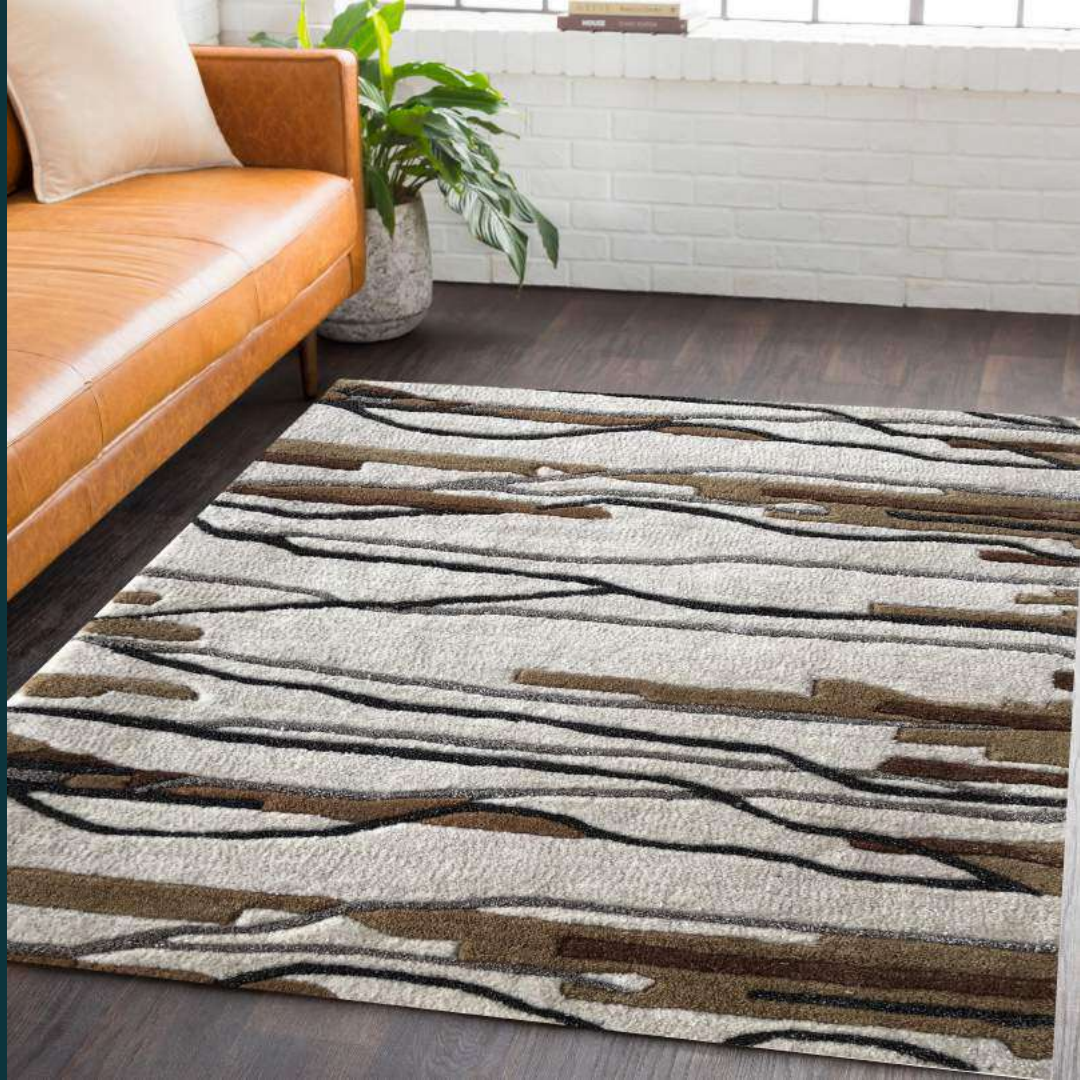

At Sujit J Carpets, we know that our customers are as unique as our rugs. That is why we put special care into helping our customers get the highest quality products within a broad range of budgets.

We are also led by a talented and dedicated team that pays special attention to every step of the carpet making process ensuring that each rug is unique and meets our high standards.

Our rugs are exported all over the globe with clients spread across multiple countries who are more than happy to vouch for products and services should you need any references.

We specialize  
in Custom and  
Project orders.

# Our Collections

01

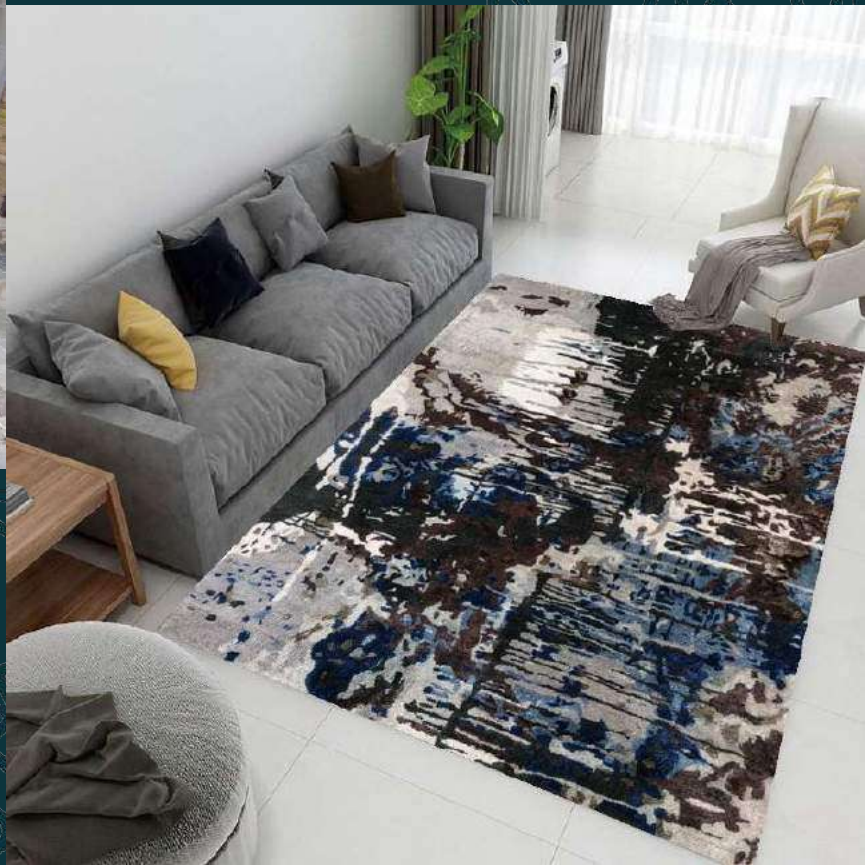

# Hand Tufted Collection

With the sturdiness of finest quality of wool, this type of rug holds up well in most areas. In fact, with proper care, a durable hand-tufted rug can last 10-20 years.

*A Carpet is  
for a Lifetime*

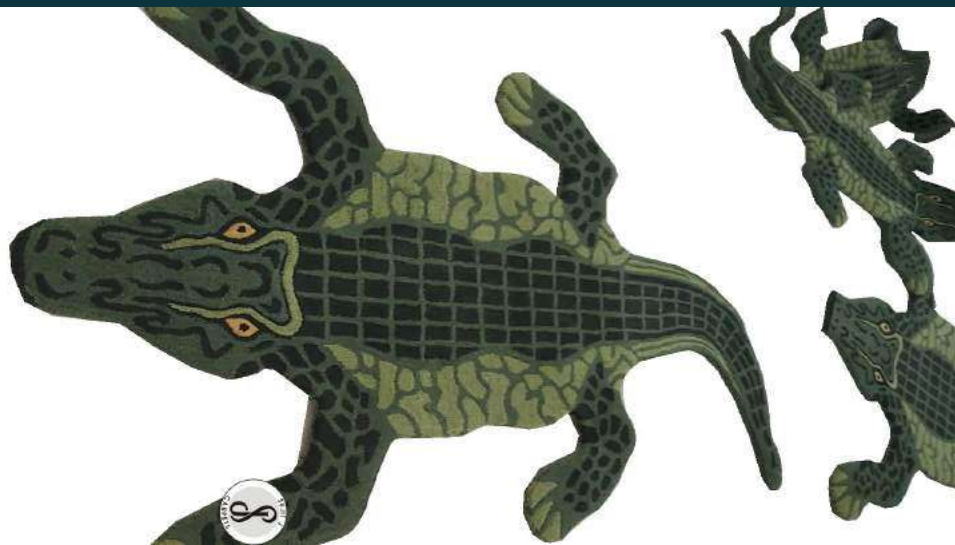

Flooring is the foundation  
of any beautiful room.

Start with a great carpet  
and the rest will fall in place.

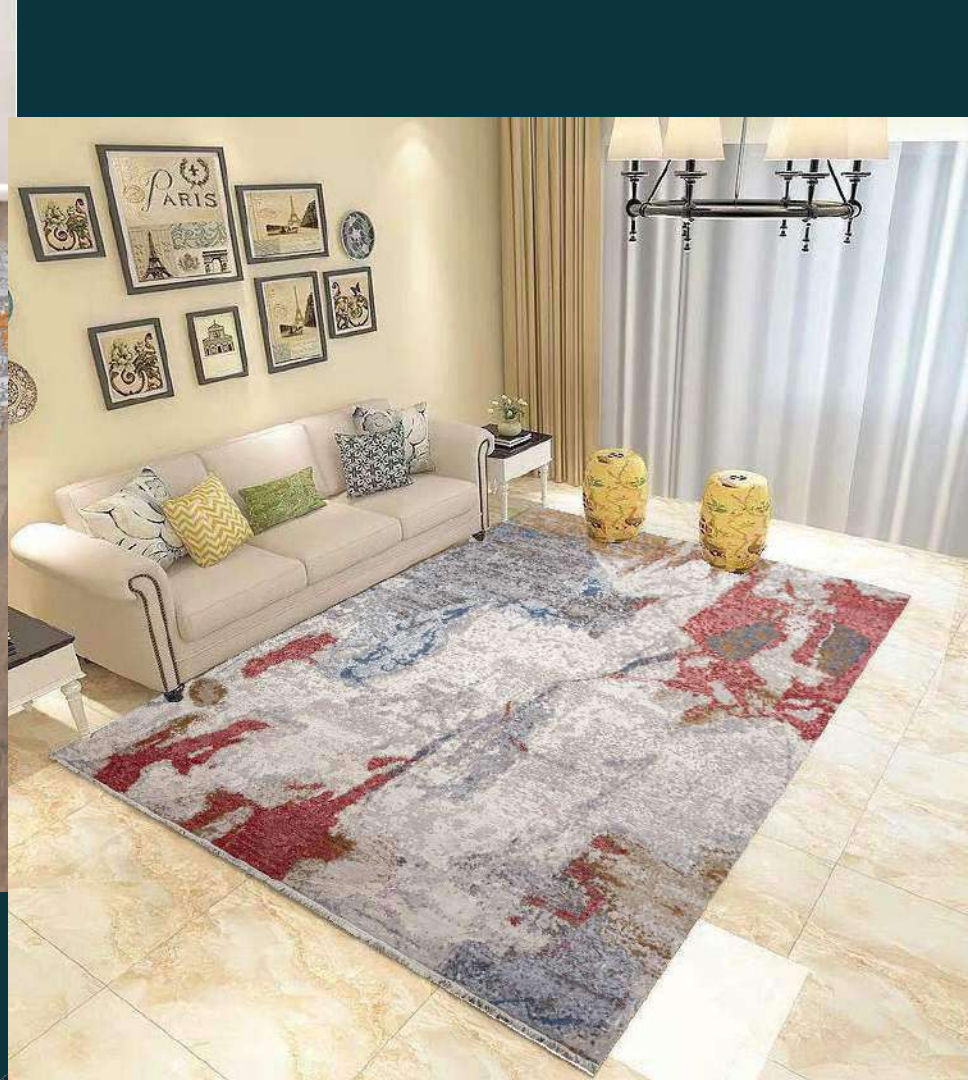

02

# Hand Knotted Collection

Every knot is woven individually by hand, making the rug unique and one-of-a-kind in all the world.

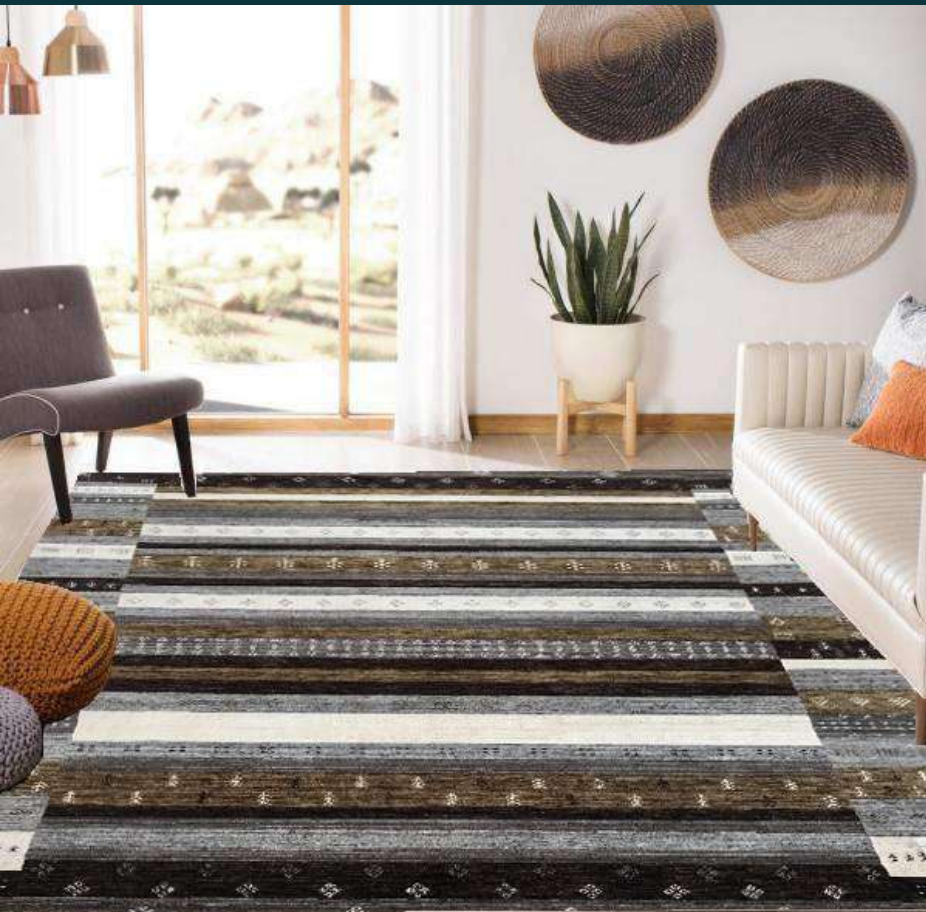

03

# Hand Woven Collection

Woven with hard-work, dedication, love and hands
